

MILITARY ART PROGRAM AUSTRALIA

veterans on display

Catch a glimpse of the **coolest art display** at the ADF Joint Health Command Facilities!

Attention art lovers! Our friends at MAPA have teamed up with ADF Joint Health Command WA to showcase an exclusive collection of artworks at the Leeuwin and Campbell Barracks Health Centre's.

These stunning pieces are crafted by a team of talented artists; veterans, their family members, and supporters of MAPA's arts program. And guess what? You can own one of these magnificent works of art!

By purchasing any of the displayed pieces, you're not only supporting our beloved artists and MAPA but also taking home a one-of-a-kind masterpiece.

So, what are you waiting for? Contact MAPA directly to place your order, and our lovely volunteers will take care of the rest.

And hey, all you veteran artists and their families, don't be shy! You can also contribute to our joint effort by displaying your artwork in our "Veterans on Display" partnership with ADF JHC. Shoot us an email at to know more.
